

MEIG Programme

Scholarship Application Form 2023-2024

Thank you for applying for admission to the Master of Advanced Studies in European and International Governance (MEIG Programme). We are aware that the costs related to our programme, in addition to the living costs in Switzerland, are high, especially in the current economic context. While our programme does not have sufficient funds to offer scholarships, be assured that we make every effort to solicit support from external sources. We have been able to secure a number of scholarships from a local sponsor. These scholarships cover mainly the tuition fees. We may also be able to arrange for partial scholarships towards living expenses during the programme.

Our sponsor has established strict eligibility criteria:
